School Mission

In partnership with parents, St. John Fisher Parish Elementary School is dedicated to teaching the Catholic faith, promoting academic excellence, and producing caring, contributing, cooperating community builders. Our daily emphasis is: *“Go in peace to love and serve the Lord and one another.”*

School Philosophy

St. John Fisher Parish School works in partnership with parents to provide a quality Catholic education for its students. We promote academic excellence in our standards-based curriculum and assessment, and provide an atmosphere which is conducive to learning, and in which each child feels valued. We believe that each child is a unique creation of God, and we are committed to developing each child’s gifts by offering support, inspiration, and a variety of curricular and extra-curricular activities. We empower students to strengthen their personal relationship with Christ by modeling the Catholic faith, and integrating Catholic values and traditions throughout the school. We help our students to recognize and adopt strong moral values, and take an active role in their personal development. We prepare our students to participate both in the spiritual and liturgical life of the parish, and in the communities in which they live.
