"Quo Vadis—Where am I going? With the soul and spirit of Holy Name of Mary School rooted in my heart, I know I will always find my way."

~Martin Macasa, 8th Grade HNM Student

At Holy Name of Mary, 8th graders conclude their middle school journey with a significant milestone: presenting a comprehensive portfolio to the administrative team. This presentation showcases how they have successfully met our School-Wide Learning Expectations (SLEs), featuring nearly 60 meticulously curated entries of evidence, complete with images and collected work. Understandably, many students approach this task with nervous anticipation, unsure of how their final product will come together.

As an educator, few moments are more rewarding than witnessing the culmination of each student's journey at HNM during these interviews. It's a bittersweet experience—celebrating their growth and accomplishments while acknowledging that their time with us is drawing to a close. Yet, our hearts are filled with pride knowing they are prepared to face the challenges and opportunities that await them. We remind them that, no matter where life takes them, Holy Name of Mary will always be their home—a steadfast source of support, a celebration of faith through struggles, and a place where they will always belong.

Here is a heartfelt reflection from one of our graduating 8th grade students on their SLE project

"I want to express my deepest gratitude to everyone at Holy Name of Mary for all they have done for me. Over the past 10 years, this school has been instrumental in shaping who I am today. Here, I've grown as a person of faith, strengthening my connection to my beliefs and to the Holy Name of Mary community. I've also become an academically prepared student, equipped with the knowledge and skills I've developed during my time here, ready to embrace the next chapter of my journey.

This school has helped me cultivate a deeper understanding of global awareness, allowing me to appreciate diverse cultures, perspectives, and the world around me. I've learned to be a responsible learner—always striving to improve, challenging myself, and working to make a positive difference in the world. These experiences and lessons have helped me grow into a better person and have prepared me for the future that lies ahead.

From projects that challenged my critical thinking, to sports that taught me teamwork and perseverance, every goal I reached, every service project I participated in, and every moment of friendly competition and collaboration has shaped my character. Presentations helped me find my voice, and every opportunity Holy Name of Mary offered has left a lasting impact on me. None of these experiences have gone unnoticed or underappreciated.

Reflecting on my SLE portfolio, I am overwhelmed with gratitude for this school. Holy Name of Mary has been a cornerstone of my journey, playing an essential role in my personal growth and success. Thank you for everything you've instilled in me; your influence will remain with me forever.

Quo Vadis—where am I going? As long as I carry the soul and spirit of Holy Name of Mary in my heart, I know I'll always find my way."

Martin Macasa's reflection beautifully captures the essence of being part of the Holy Name of Mary family—a journey defined by growth, faith, and lasting impact. It's a powerful reminder of how education and community can transform lives. Many have shared heartfelt gratitude for the teachers who guided them, the staff who supported them, and the faith and values instilled along the way—lessons that will carry them forward. **As we bid farewell to our 8th graders, we are confident they are prepared to face new challenges, grounded in the strong foundation they've built here.**

REFLECTING ON THE WORD

It's telling that Jesus' final prayer for his followers before his arrest is a prayer for their unity: "that they may all be one." Jesus knew how damaging division would be for the life of the Church. What is it that makes discord and fractured relationships with our brothers and sisters in Christ such a great threat to our spiritual lives and our credibility as witnesses to the rest of the world? In what ways do these divisions hinder us from seeing the image and likeness of God in one another? Do we think of another group as less deserving of a listening ear or a show of good faith? And when you're with others who share your beliefs, where does your group tend to draw those lines? Where do they fall within your own heart?

.....ON THE WAY TO MASS

With whom do you disagree the most?

ON THE WAY HOME FROM MASS.....

What were some of the things Jesus prayed would happen for his followers? Why do you think it mattered so much to him that they remain one?

LIVING THE WORD

When you pray this week, especially when you receive Communion or you're in the presence of the Eucharist, pray for reconciliation and greater unity within the Body of Christ. Feeling bold? Ask God to show you your own blind spots in recognizing the dividing lines you've drawn between yourself.
