

Holy Name of Mary School

2022-2023 Scrip Gift Card Program

THE HNM SCRIP FUNDRAISING PROGRAM:

Your Scrip Gift Card Pledge is to generate at least \$300.00 profit for our school, your Scrip Pledge. This amount is based solely on the percentage allowed by the merchant whose scrip you've purchased.

The profit percentage, for frequently used merchants, are shown on the HNM Scrip Order Form, which is available online at our website, www.hnmschool.org (under the Parents tab/Scrip). **You may also go online at www.raiseright.com to see a current listing of all the merchants.**

Your scrip purchases will be tracked May 1, 2022 through April 30, 2023.

On SchoolSpeak, you will receive a mid-year statement in January with a final statement in May indicating the total amount your family has purchased and the **Scrip Pledge** your Family has generated to date. When you purchase in-person Scrip, you will be provided with a receipt and your purchases will be tracked on QuickBooks.

By December 31st, at least one-half, or \$150.00 Scrip Pledge, should have been generated by your family. If not, then the difference between what Pledge you did generate and the \$150.00 will be assessed on your next FACTS Tuition withdrawal. (Example – you earned \$110 profit for our School by December 31. You were short \$40. Therefore, a \$40 charge will be assessed ($\$150 - \$110 = \$40$).

By April 30th, the complete \$300.00 Scrip Pledge should have been met by your family. If you have not earned the complete \$300.00 profit by this time, then the amount of the Pledge due will be assessed on your next FACTS Tuition withdrawal. (Example – you earned \$240 profit for our School by April 30th. You were short \$60, so that amount will be charged in the next FACTS billing cycle.

Your family does have the option to pay the full amount at any time or pay over 12 months through FACTS. If you'd like to be on monthly-pay, please contact Elizabeth Quinones.

HOW DO I PURCHASE MY SCRIP GIFT CARDS?

Scrip Gift Cards can be purchased two ways:

- 1) Purchase in person, from the box, and pay with cash or check (selling hours are on the order form and page 3,
- 2) Order online at www.raiseright.com (please go to SchoolSpeak for the HNM code). Place your online order by 3:00pm on Mondays and either send a check in or pay online by bank account (\$0.15 fee) or credit card (additional percentage fee). Orders will be ready on Friday. We encourage you to place your order online so that we can ensure that all your Scrip needs are fulfilled.

What is Online Payment? By linking your bank account, you can purchase scrip online and print from your home (eGiftCards) as well as reload (Reload or ReloadNow!) your current gift cards from many vendors. You can also use the Raise Right app and have cashiers scan your barcode. It is convenient and easy!!!

HNM SCRIP INCENTIVE: Once your \$300 Scrip Pledge Commitment has been met, a 60/40 Incentive Program will go into effect. Forty Percent (40%) of the excess profit, beyond \$300, that your family generates for our school may be credited towards the following year's registration fee (tracked through December 31st) and/or may result in a credit for future scrip purchases (tracked through April 30th).

Websites to visit today!

www.raiseright.com (HNM Code: contact Natalie) You can create an account and order online, order directly from the company, print scrip from your computer, use your mobile device, and reload your current cards with more money (Reload). eGiftCards and Reload require a linked bank account or credit card through Online Payments.

Ask everywhere you shop if they have a Charitable Gift Program and be sure to sign up Holy Name of Mary School for the credit. All contributions to Holy Name of Mary School make a difference; *however, not all links/purchases can be tracked for credit towards your Scrip Fundraising Commitment.* Some participation in these programs is just your gift to our school and is greatly appreciated.
