

Dear SCS Families and Guardians,

May 3, 2024

Many of our families have received notice about the Opportunity Scholarship awards for the upcoming 24/25 school year. All Tier 1 applicants have been funded; however, it is anticipated that additional sums in the amount of \$248,000,00 will be approved to fund all Tier 2, Tier 3 and most of Tier 4 applicants for the upcoming school year.

If you were not awarded the scholarship previously, and you are in Tier's 2 through 4, please be aware that within 2 to 3 weeks you will most likely receive information about the additional funds that will be awarded for your family.

Here is a copy of House Bill 823, that is currently pending in the State Senate
